RETAILERS FROM ACROSS
NEW ZEALAND.**

www.candiexpo.co.nz

Exhibiting at C&I NZ Expo gives you two days of product sampling, networking, and exposure to multi-site operators and independent dairies, and everything impulse in-between.

Welcome your current customers and meet new ones at the only trade expo dedicated to the petrol and convenience channel.

Book now to secure your place for 2024.

INDUSTRY LEADERS SYMPOSIUM

Exhibitors and visitors will all have the chance to hear from the experts speaking at our Symposium, held each morning before the Expo opens to visitors.

“NZACS is very much looking forward to co-hosting the Industry Leaders’ Symposium again in 2024. We plan to build on the success of the 2022 event with even more exhibitors and retailers taking advantage of the opportunity. Don’t miss the chance to get your products in front of retailers and key retail decision makers. The symposium features a first-class line up of business speakers each morning to share quality insights, ideas and motivation with our visitors. Mark the date now – we look forward to seeing you in 2024.”
